TO THE FACULTY OF RESPECTIVE UNIVERSITIES CONCERNED:

Google Developer Student Clubs (GDSC) are community groups for students from any academic background in their undergraduate or graduate term. By joining a GDSC, students build their professional and personal network, get access to Google developer resources, and work together to build solutions for local problems in a peer-to-peer learning environment.

The following students from the **Vietnam** have been selected as a Google Developer Student Club lead for the year 2021-2022 in their respective universities:
